**19/52 | 36.5% S/R | +£10.45 BFLSP – W&P 31/52 | 60% S/R**

*No surprise Mullins has his string bouncing and ready to fire for Boxing Day but even by his high standards those are some serious stats to be going to war with.*

## **The Boxing Day Hot-Spots...**

## **Boxing Days stats (2013-2017)**

**10/41 | 24% S/R | -£5.90 BFLSP – W&P 14/41 | 34% S/R**

*Again, like Mullins, it's no surprise to see team Henderson on this list. You do have to dig a little bit for some profits, however...*

# OLIVER SHERWOOD

## Boxing Days stats (2013-2017)

**5/13 | 38.5% S/R | +£5.82 BFLSP – W&P 8/13 | 62% S/R**

*A more targeted approach from Sherwood but he makes those limited bullets do the business for him and it's worth keeping an eye open for any of his Boxing Day entries.*

## The Boxing Day Hot-Spots...

4/6 | 67% S/R | +£9.99 BFLSP – W&P 5/6 | 83% S/R

# NICK WILLIAMS

## Boxing Days stats (2013-2017)

**4/6 | 67% S/R | +£14.11 BFLSP – W&P 5/6 | 83% S/R**

*Williams has extremely limited numbers here but the fact only one of the six has finished un-placed, and that was Tea For Two in the 2016 King George when finishing a short-head & a head away from 2<sup>nd</sup> in 4<sup>th</sup>, then it's safe to say he does know how to get his string ready for the Boxing Day shenanigans.*

*The full run-down of his Boxing Day form figures read...*

*2013 – AMORE ALATO (1<sup>st</sup> at 12-1 - Kempton)*

*2014 – TEA FOR TWO (1<sup>st</sup> at 4/6 - Towcester)*

*2014 – HORATIO HORNBLOWER (1<sup>st</sup> at 11/10 - Towcester)*

*2015 – TEA FOR TWO (1<sup>st</sup> at 9/4 – Kempton)*

*2016 – TEA FOR TWO (4<sup>th</sup> at 25/1 – Kempton)*

*2017 – TEA FOR TWO (3<sup>rd</sup> at 20/1 – Kempton)*

*TEA FOR TWO makes up 4 of those 6 runners but in fairness he continues to do the job and Williams clearly has him sharp as a tac for his Boxing Day assignments...*

Boxing Day racing can be a real minefield so make sure you find some way of focussing your attentions without getting bogged down in each and every meeting.

Pick your targets...
