

EXPOSED!

THE THREE TRAINERS THAT EXCEL WITH UN-EXPOSED HANDICAPPERS...

It's a simple fact that some trainers are much better at successfully placing their young un-exposed Handicappers than others.

As always, these opportunities need to be exploited by us shrewd punters. If there is an edge then we need to be all over it and filling up our betting banks with the profits.

What follows are the THREE BEST TRAINERS on the Flat racing circuit at finding winning (and profitable) openings for the un-exposed handicappers within their ranks (those with 0 or 1 previous handicap starts).

Together these three trainers have returned **+£310.57 level stakes profit to Betfair SP** since the start of 2014.

Enjoy...
