

# **JANUARY JOLLIES**

## ***THREE TRAINER ANGLES TO BOOST YOUR BETTING BANK IN THE NEW YEAR***

Come January we'll probably all need to be replenishing the funds after the (non-racing) Christmas shenanigans (bah humbug!) we get drawn into!!

And what better way get the bank accounts looking healthier than by following a trio of runners who love have winners in the first month of the year.

These angles won't make you rich but in recent years they have ticked along sweetly, picking off some consistent profits and adding a neat little boost to the betting bank.

Enjoy...

# Trainer 1: HARRY FRY

**Overall January record (since 2010)...**

**41/139 | 30% S/R | +£32.17 BFLSP - W&P 65/139 | 47% S/R**

*In truth you could simply back Fry blind during January as the bare stats tell us he has his full string clicking along in rude health. We can, as always, tighten things up plenty though...*

-----

## **H Fry January Angle...**

*Harry Fry – January – National Hunt*

*6yo & 7yo runners*

*0-2 starts last 90 days*

*SP 12-1 or less*

-----

## **Results...**

**25/41 | 61% S/R | +£60.66 BFLSP - W&P 30/41 | 73% S/R**

*90% above expectation | 148% ROI (Betfair)*

*Some serious stats on show from Fry there and he clearly has his 6yo & 7yo's in rude health during January.*

# Trainer 2: Donald McCain

**Overall January record (since 2010)...**

**110/641 | 17% S/R | -£94.09 BFLSP - W&P 240/641 | 37% S/R**

*Plenty of winners from McCain during the month of January but backing him blind would leave you with a large gaping hole in your betting bank. Those figures can be transformed, however, with a bit of digging...*

## **D McCain January Angle...**

*D McCain – January – National Hunt*

*Novice contests only*

*IRE & FR Bred MALE runners only*

*2-8 starts last 365 days*

*SP 5/1 or less*

## **Results...**

**40/81 | 49% S/R | +£34.11 BFLSP - W&P 56/81 | 69% S/R**

*27% above expectation | 42% ROI (Betfair)*

*When you only consider the McCain Novice runners (within the conditions highlighted above) the stats improve dramatically and suddenly we have a tasty little angle at play.*

# Trainer 3: Sandy Thomson

**Overall January record (since 2010)...**

**16/72 | 22% S/R | +£197.34 BFLSP - W&P 34/72 | 47% S/R**

*Sandy Thomson's January squad produce some hefty profits but it's worth bearing in mind that the figure is inflated by a huge priced (Betfair SP) winner. A bit of digging uncovers a tasty mini-angle to go to war with...*

-----

## **A M (Sandy) Thomson January Angle...**

*A M (Sandy) Thomson – January – National Hunt*

*Scottish tracks - Good to Soft or softer*

*Male runners only*

*1-3 starts last 90 days*

*SP 11/2 or less*

-----

## **Results...**

**11/19 | 58% S/R | +£24.04 BFLSP - W&P 15/19 | 79% S/R**

*111% above expectation | 127% ROI (Betfair)*

*Thompson enjoys firing in winners on home turf (Scotland) and although there won't be many qualifiers on the angle it's certainly well worth keeping it on the radar.*

There is nothing too complicated about these angles and you should easily be able to follow them yourself, by manually sourcing the qualifiers each day or by plugging the angles into a database of your choice.

All being well they will continue to tick along and pull in some small but steady profits throughout January.
